Foreword

For many years I have wanted to express
my feelings of brotherhood with the
Celtic nations. The past two years
I made a series of drawings in my
way, using the most common Celtic patterns.
These designs I dedicate to the people
of Kernow, a Celtic people, a nation
I came to appreciate in the same time.

The 'Book of Curses...Blessed Book'
is meant to be a small contribution to
Celtic Cornwall of present and future times.

I am grateful to Lucie for providing me
with some nice, though unfinished,
sketches in the latter part.
I also want to thank Mr. P. Crago of
Cornwall Lithographic Printers for the
printing, Dr. J. Whetter for the publishing
work, Talek for translating the preface into
Cornish, and all people who encouraged
me to go on.

Den Haag, 25 August 1977.
